ANNUAL SPECIAL CAMP 2020-21

‘AAKAR’

NSS unit 544&700 of TKMIT was the first unit to conduct 7-day virtual camp under APJA KTU NSS Cell from 20/12/2020 to 26/12/2020. As a part of this camp, many programs were conducted. Mapathon being the highlight, a program of mapping places is being conducted through WhatsApp, zoom and G-meet. For mapping, a total of 20 panchayats were selected and each panchayat were looked after by 20 groups each with 5 NSS volunteers who is continuing the process of mapping these places. Within a month the program of mapathon is expected to be completed. This was a government authorized program. The coordination of all mapathon teams has led us to complete our mapathon program successfully. Sometimes, the camp was in festive mood by conducting several interesting cultural events participated by our volunteers with overwhelming joy, which helped them to crack out their shell of no confidence by holding their talents and recognizing their inner strengths.

Major Activities

A camp can shape each student perfect match for a society. This was accomplished by our professional speakers who guided volunteers with their inspirational words throughout the camp. Several activities were conducted in this camp such as:

- **Mapathon:** As a part of this camp, an awareness class on open street mapping was taken by District project manager, Abhijit P S and a session was handled by Prof. Vysakh regarding the open street mapping. The volunteers were divided into group with a mentor for each group. The mentors give instructions regarding mapping through google meet platform and the volunteers started their mapping work.
- **Home Energy Audit:** A session by Prof. Sajid Ali, EEE Dept, TKMIT was conducted on day 3. He shared valuable information regarding energy management and home energy auditing. A domestic energy audit activity was given to the volunteers and were divided into groups. Volunteers completed their work on time.
- **Field Survey - Youth for prevention & mitigation of Covid-19:** Volunteers were provided with google forms with a list of questions aimed at extracting specific data about covid 19 from nearby houses.
- **Indian Sign Language Skills:** Another session on sign language was taken by Sri Abdul Razak through zoom platform. He clearly explained about sign language and volunteers followed his instructions and the volunteers had done a video on introducing themselves using sign language.
- **Short Film Competitions on Covid-19:** As a part of interactive session handled by Sri Brahma Naaykam Mahadevan. He divided volunteers into different groups and activities were conducted such as tea with mom, planting tree sapling, cleaning your home etc. One of the main activities done was a covid awareness short film competition. Also, he shared his valuable experiences and inspired volunteers.

- **Camp inauguration and interactive session with Dr Sabukuttan:** The inauguration of camp was done by Dr Sabukuttan. It was also an interactive session where he shared his valuable experiences and interacted with the volunteers.
- **Service beyond borders:** The evening session of day 4 was an interactive session with Dr Ismail Maritheri. He explained the importance of volunteers and volunteering.
- **Mental Health Needs of Blind:** A session was handled by Dr. Habeeb. He had shared his valuable time and interacted with the volunteers. He also explained about the misjudgments of society towards the blind and the modern technologies which help visually challenged people.
- **Green Earth Challenge:** In memory of famous Malayalam poet and activist Sugathakumari our volunteers had planted tree saplings and shared photos of their saplings.
- **Interactive session with Muhammad Salim:** An interactive session with our friend Muhammad Salim, who is from Jammu and Kashmir. We had discussed about our different cultures, food varieties and much more. He also shared about the difficulties he faced when he was in Kerala.
- **First aid awareness session:** A first aid awareness session was taken by Dr Ajil Abdulla about different emergency medical care. And he clearly explained about various stages involved in CPR and infant CPR.
- **Interaction with colony students:** As a part of Christmas celebration some of our volunteers and Santa Claus went to Edakkidom colony, Kollam with Christmas gifts and spent some time with children.
- **Christmas celebration:** Our Christmas celebration was cherished with the cultural programs by TKMIT interacted with Santa Claus. At the end of session, the secret Santa was revealed.
