

INSTALLATION OF EXCOM 2024-2025 & FAREWELL TO EXCOM 2023-2024

The program commenced promptly at 10:00 AM in the Seminar Hall of TKM Institute of Technology. The event marked the transition of the IEDC Excom from the 23-24 team to the newly appointed 24-25 team, coupled with a farewell for the outgoing member.

Ms. Revathy N delivered a heartfelt welcome speech, extending a warm welcome to all attendees. She set the tone for the event by acknowledging the efforts of the outgoing Excom and expressing excitement for the new team's journey ahead.

The Certificate Distribution for the outgoing Excom 23-24 followed. Certificates of appreciation were presented to the members in recognition of their dedication and contributions throughout the year.

The installation of the new Excom 24-25 was conducted with introductions and role explanations. The incoming members were officially welcomed and briefed on their responsibilities.

Mr. Praveen delivered an inspiring Theme Address, highlighting the vision and objectives for the coming year. His speech emphasized the importance of innovation and entrepreneurial spirit within the IEDC framework.

Mr. Baginesh Shared past experiences of the outgoing Excom, reflecting on the challenges and achievements during their tenure. Ms. Safiya Shanavas Addressed the new Excom, offering guidance and encouragement as they embark on their roles. She stressed the importance of teamwork and continuous learning.

Mr. Sajid Ali delivered the Vote of Thanks, expressing gratitude to all attendees, speakers, and organizers for their contributions to the event's success. He appreciated the outgoing Excom's efforts and wished the new team all the best.

The meeting was adjourned at 11:30 AM, concluding a successful and memorable event.

SPARK@IEDC: ORIENTATION PROGRAM

IEDC TKMIT successfully conducted the orientation program, Spark@iedc, exclusively for 2nd-year students. This event served as a gateway to unlock a world of opportunities and resources designed to fuel the innovative spirit and entrepreneurial mindset of the participants. The event was held on July 25th and 26th at the Seminar Hall. On July 25th, the orientation was for the CS (AI, A-batch, B-batch) branches from 1:00 PM to 2:00 PM, and on July 26th, it was for the FT, ME, CE, and BM branches from 10:00 AM to 11:00 AM. The program began with an introduction to IEDC, its mission, and its role in fostering innovation and entrepreneurship among students. Participants were introduced to various initiatives and support systems offered by IEDC to help them transform their ideas into groundbreaking prototypes. Emphasis was placed on how students can embark on a journey of entrepreneurial excellence through the resources and opportunities provided by IEDC. The sessions were conducted by Mr. Praveen KC, Head of Industry Connect, who led the orientation sessions.

Key topics covered included a detailed discussion on the IEDC rules and regulations to be followed by members, the development of a comprehensive action plan for the upcoming year outlining key goals and strategies for IEDC activities, and an insightful discussion on how to generate innovative ideas and effectively implement them. The orientation program, Spark@Iedc, was a significant step towards empowering 2nd-year students with the knowledge and resources necessary to succeed in their entrepreneurial endeavors. The sessions were interactive and provided a solid foundation for students to start their journey with IEDC.

Following the successful conclusion of the Spark@IEDC orientation program, IEDC TKMIT is excited to announce the upcoming Idea Pitching Competition. This event aims to foster a culture of innovation and entrepreneurship within the TKMIT community.

The competition invites all students to showcase their creative ideas and entrepreneurial spirit. Participants can compete either individually or in teams, with a maximum of four members per team. Each team or individual can submit only one idea or concept, and participants are restricted to joining only one team.

Entries will be evaluated based on originality, clarity, and the persuasiveness of the presentation by a panel of experts. The competition runs from July 29th, 2024 to August 2nd, 2024. Participants can submit their ideas in the idea box placed in front of the store.

The winner of the competition will be awarded a first prize of 500. This initiative is a fantastic opportunity for TKMIT students to develop and pitch their innovative ideas, contributing to the entrepreneurial ecosystem of the institute.
