REPORT ON CAREER DEVELOPMENT WORKSHOP BY HARVEY BIOMEDICALS

- **Venue:** A-Block Seminar Hall
- **Date :** 3rd April,2024
- **Poster:**

IEEE AND BLAZE PRESENTS **CAREER DEVELOPMENT** WORKSHOP FOR BIOMEDICAL ENGINEERS

**WEDNESDAY
APRIL 3RD, 2024**

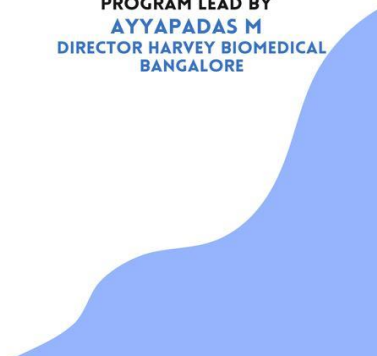

SEMINAR HALL

9:30AM -12:10PM

**PROGRAM LEAD BY
AYYAPADAS M
DIRECTOR HARVEY BIOMEDICAL
BANGALORE**

❖ Description

The Department of Biomedical Engineering at TKM Institute of Technology, in collaboration with IEEE EMBS TKMIT and Harvey Biomedical, successfully organized a Career Development Workshop on April 3rd, 2024. The event aimed to enhance the personal and professional skills of budding biomedical engineers, equipping them with the focus and vision needed to thrive in their careers.

❖ Workshop Overview:

The workshop was conducted in partnership with Harvey Biomedical, a renowned Bangalore-based company that specializes in providing training programs for biomedical engineers. Their expertise spans across key areas such as Medical Equipment Management, Medical Device Regulatory, Product Management, and Technical Service. This collaboration brought a wealth of knowledge and industry insights to the students, making the session highly valuable and relevant.

❖ Session Highlights:

- **Personal Skills Development:** The workshop began with a focus on personal development, where students were guided on essential soft skills, including communication, teamwork, and leadership. These skills are crucial for success in the biomedical engineering field, where collaboration and effective communication are key.
- **Career Focus and Vision:** Harvey Biomedical's representatives shared their experiences and insights into the biomedical industry, helping students to refine their career goals and develop a clear vision for their future. The session emphasized the importance of staying focused and continuously upgrading skills to remain competitive in the fast-evolving healthcare technology sector.
- **Industry Insights:** The speakers from Harvey Biomedical provided in-depth knowledge about the current trends and demands in the biomedical engineering industry. They also discussed the regulatory environment and the importance of

adhering to standards in medical device management, which are critical for ensuring patient safety and compliance.

- **Interactive Q&A Session:** The workshop concluded with an engaging Q&A session, where students had the opportunity to interact with the experts from Harvey Biomedical. This interaction allowed students to clarify their doubts, seek career advice, and gain a deeper understanding of the various career paths available in the biomedical field.

❖ **Conclusion:**

The Career Development Workshop was a resounding success, with active participation from the students. The insights shared by Harvey Biomedical have equipped the students with the knowledge and skills needed to excel in their careers. The event underscored the importance of continuous learning and professional development in the rapidly advancing field of biomedical engineering.
