REPORT ON REGALIA 2023

On April 27 and 28, 2023, TKM Institute of Technology hosted Regalia'23, a two-day Techno Cultural festival. The art festival was an anticipated event that had been planned in advance. It offered a stage on which students could display their actual abilities and exquisite creativity while also revealing their true inner selves. Regalia'23 had the theme ISEKAI, a world of reflections in a parallel universe. The logo was introduced to coincide with Arts Day on April 18, 2023 with its tagline 'Cast Out'.

In addition to the main activities, Regalia'23 was jam-packed with several side events and competitions that were staged the preceding days in accordance with a well-planned schedule. Competitions and events included writing essays in English and Malayalam, digital painting, pencil drawing, water coloring, English extempore, treasure hunts, face painting, football 3-on-3, gaming, chess, poetry in English and Malayalam, mehendi design, idea pitching, and photography. Before the start of the events, the registration process and other prerequisites for the programmes were finished. Many students signed up to take part in the activities.

Depending on who won each of the festival's competing events and programmes, points were assigned to the appropriate departments.

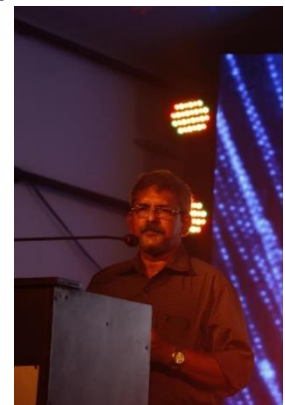

DAY 1 — 27/04/2023

With the inaugural ceremony, the significant event's first day was formally welcomed. The Chief Guest of Honor and other renowned people graced the stage.

Mr. Sarang A, a senator and Regalia'23's arts convenor, opened the ceremony with a heartfelt welcoming address for all of the guests and invitees who had gone to such effort to mark their presence. The inauguration ceremony's hosts, Pearl Pinto and Angel Elizabeth Shine, greeted Dr. Jyotiraj, the college's highly respected principal. His wonderful personality was evident in every piece of advice and encouragement he gave during the speech.

The introductory address was then delivered and the Regalia'23 was administered by the guest of honour, Smt. Ameya Mathew, one of the upcoming stars of the Indian film industry and famed actress from the Karikku Malayalam Web Series. During the interactive session, she enthralled the audience and the stage with her endearing attitude and approachable demeanor. She even danced with the students. As the ceremony came to a close, Prof. Razeek A., the honorary dean of student affairs, and Dr. Abdul Salim, the head of science and humanities, extended their heartfelt congratulations on an effort well done in organizing the event and welcomed the prominent guests who attended. Mr. Aditya J. S, a senator and the arts convenor of Regalia'23, delivered the vote of appreciation at the end of the inaugural ceremony. The success of the event was largely due to the commitment and labor of Aditya and Sarang, as well as numerous other students and faculty.

After the official opening ceremony was over, the talented boys with Kollukali and the talented girls with Rangapooja gave a spectacular opening performance that mesmerized everyone in the auditorium. After the incredible authentic and traditional performances came to an end, the comparing duo prepared the atmosphere for the interdepartmental competition- Hop with your Group. Each dance group used their own distinct body language and fantastic sets of props to depict their struggles, creating a feast for the eyes. The judges had a difficult time deciding which group was the best due to each group's simple choreography, musical arrangement, and movement style. Voice of Regalia, a music competition, is upcoming. Each contestant performed two rounds of exceptionally great singing. The judges' decision to select the winning Voice of Regalia was a difficult one because of the sweet and lovely vocals of each competitor.

After a brief pause, the programmes resumed as planned. TMC-TKMIT Music Club, with its full-fledged crew members of lovely vocalists and talented instrumental music band, produced a musical spectacular and a passionate mood. The frenetic beats and pace of the visual show kept the audience on the verge of their chairs.

In the meanwhile, the respected venues hosted the photography competition, the Malayalam extempore, and the movie bluff.

As the day's deciding event, The Flyday band & The Backup Plan band with their exquisite vocal performance captivated the entire TKMIT in a musical thrall from beginning to end. They are extremely skilled and prepared to slam with all its grandeur and glory. The fantastic music that filled TKMIT caused the crowd to sway and dance. By the end of the day, the amazing performance had captured everyone in the audience's hearts and spirits.

DAY 2 — 28/04/2023

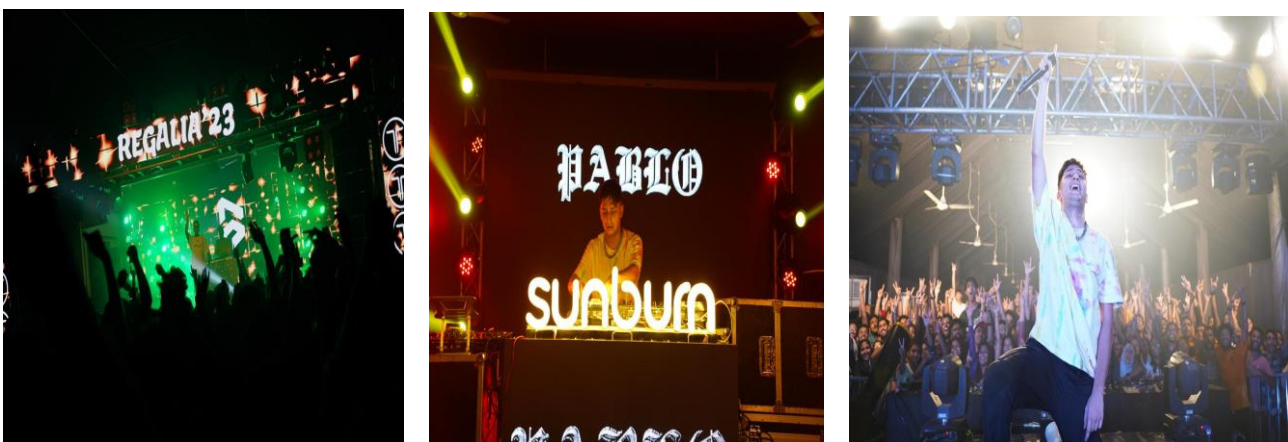

Multiple cultural events, including a musical gala, took place on the second day as well. The many student groups from each semester and department performed on stage with excellence and vigor.

Solo dance competitions, duo dance competitions, and spot choreography competitions were held in addition to the visual treat. The choreography for each performance was contemporary, beautiful, and had excellent context. The judges found it challenging to select the greatest performance among them due to the flow of each performance with actual motions.

The audience was cleared at around 1:00 pm for a brief break and to set up the stage for the live musical performances by Thirumali & Thudwiser and Pablodutta. To keep up the busy schedule, many other events such as English Extempore and gaming sessions were also held in different venues during the break. Finally, Thirumali, the cornerstone of the southern heat, and Thudwiser were ready to rap the room about the surroundings and mesmerise the crowd. Pablo Dutta took the stage next, where he performed as a DJ while performing remixes of hard bass and dubstep music. At 6:00 p.m., the highly charged day came to an end, signalling the conclusion of Regalia'23.

Convener, Regalia 2023
